Dear Ms. Turner,

Ms. Turner,

I have found this entire process to be very disheartening. The original grievance was filed in November 2001 and I would have possibly had a MERB hearing in 2004. Considering that one of the grievances was for harassment, I find the length of this timetable extremely frightening. You speak of needing resolution by the end of the year and that my cases will be dismissed for abandonment, I am of the opinion that I have already been abandoned by the State and there will never be any resolution.

Therefore, recommend the dismissal.

Sincerely,

Barbara Johnson

Dear Ms. Johnson:

Back on Jan. 29th of this year I wrote you a letter asking that you please call me so that we may schedule a hearing dates for your two appeals, 02-07-271 and 02-07-272. I did not hear from you so I sent you an e-mail several months later, again, requesting that you call me. To date I've not heard from you. I do not know if you're still interested in pursuing these appeals but we need to have a resolution of these two appeals before the end of the year. Please call me at 739-6772 at your earliest possible convenience so that we may discuss scheduling a hearing date. If I do not hear from you by Oct. 1st, I will recommend to the Board that your two cases be dismissed due to abandonment by the appellant.
